

ONE day TWO creative types thought of THREE book ideas for FOUR weeks, then worked FIVE months and SIX days editing, designing and printing (resting on the SEVEN(th), and EIGHT(th)). Then NINE bookstores bought TEN cases of books, wanting ELEVEN more. TWELVE years and THIRTEEN book awards later FOURTEEN companies, organizations, and individuals had commissioned FIFTEEN histories and SIXTEEN biographies, while Orange Frazer's commercial titles today include SEVENTEEN sports books, EIGHTEEN special event books and over 100 Ohio books. Yegads, it all began in NINETEEN-eighty-seven. Where have TWENTY years of independent book publishing gone?

"Working with Orange Frazer Press gave us the personal attention we were looking for, without compromising quality, a Cintas hallmark. After all, small is how we began, and it's important to remember your roots."

—Karen L. Carnahan  
Vice President Corporate Dev.,  
Cintas Corporation

"Twenty years of leadership! Orange Frazer reaches for quality and makes books their readers are proud to own forever."

—Jim Dicke, Chairman  
and CEO of Crown  
Equipment Corporation

"The opportunity to chronicle the history of one of the oldest public libraries only comes around once. Working with OFP resulted in a beautifully designed, one-of-a-kind anniversary book that has won rave reviews locally and nationally from both public and peer."

—Phyllis Hegner,  
Cincinnati Public Library,  
Director of Public Relations
